ENTOMOLOGICAL SOCIETY OF ONTARIO

The **Society** founded in 1863, is the second oldest Entomological Society in North America and among the nine oldest, existing entomological societies in the world. It serves as an association of persons interested in entomology and is dedicated to the furtherance of the science by holding meetings and publication of the **Journal of the Entomological Society of Ontario**. The **Journal** publishes fully refereed scientific papers, and has a world-wide circulation. The Society headquarters are at the University of Guelph. The **Society's library** is housed in the McLaughlin Library of the University and is available to all members.

An annual fee of \$30 provides membership in the **Society**, and the right to publish in the **Journal**, and receive the **Newsletter** and the **Journal**. Students, amateurs and retired entomologists within Canada can join free of charge but do not receive the **Journal**.

A World Wide Web home page for the **Society** is available at the following URL:
